SHOW SOCIETY _____

DATE OF EVENT _____

All Trade Space Holders at Showgrounds are required to be covered by Public Liability Insurance to the value of \$20 million. Both Commercial and Hobbyist Trade Space Holders.

Commercial Trade Space Holders must show you proof of their Liability insurance. This should be in the form of a Certificate of Currency noting their insured name and a current period of insurance.

Hobbyists, defined as those not running a commercial enterprise, with no ABN and annual turnover of less than \$20,000, may automatically be covered under the ASC's Liability insurance program. A separate insurance fee cannot be charged for this insurance extension however you may charge a higher Trade Space Holder Fee. Please ensure your documentation does not specifically note a separate fee for insurance purposes.

Special Note: As Trade Space Holders activities can vary, we point out that the intention of extending this insurance to Hobbyists is under the assumption that they do not conduct any high risk activities. It is envisaged that these Hobbyists are selling home made products or other goods of a low risk nature. No such cover is extended to amusement rides of any fashion. If you are unsure whether the cover to Hobbyists is extended or not, please consult with the ASC.

Please note: The ASC's Public Liability insurance does not extend to Hobbyists in any manner for any Products Liability exposure.

It is your responsibility to make sure those using your grounds are fully insured and covered.
