COMPETITORS PLEASE NOTE

All competition at this show is governed by these regulations and by the Agricultural Societies Council of NSW Rules for Discipline in Horse Sections at Shows which can be viewed at www.agshowsnsw.org.au. Should it become necessary for the ASC Disciplinary Committee to open an inquiry into any aspect of competition in this Horse Section, this Society will support any penalty imposed by that Committee as a result of the inquiry and will support penalties resulting from enquiries arising from Horse Sections at other NSW shows.

Exhibitors please ensure that spelling of horses/riders name is correct. This will ensure that RAS will accept your winning entry. Blank forms are available when completing indemnity waiver forms and also page 4 of the schedule. Just hand them to the ring steward when entering the judging ring to ensure correct spelling.

DRUGS: Drug testing may be carried out at this show. Any competitor, exhibitor, owner found to have breached the ASC Disputes and Disciplinary Regulations will be investigated by the ASC Disciplinary Committee and dealt with accordingly.

BIOSECURITY ARRANGEMENTS: On arrival at the Showground all horse competitors must sign an indemnity waiver and supply Property Identification Code (PIC) numbers before a horse is allowed to compete, these are assigned to individual properties and allocated by Local Land Services. **No Indemnity No Pic No Entry into Show.**

Horse competitors should be aware that in the case of a quarantine lock down, the owner is responsible for his/her own welfare and his/ her horse's welfare and all costs incurred.

INDEMNITY AND WAIVER FORMS: The Horse Committee will take all care in managing the Section, but competitors taking part in this Horse Section do so at their own risk. Each adult competitor must, before competing, complete and sign a form indemnifying the Berrigan Show Society and waiving any claims against the Society for any injury sustained in competition or for loss or damage to the competitor's property or damage caused by the competitor or his/her animal(s) at the Show. A similar form must also be completed and signed by a parent or guardian for each competitor who is under 18 years of age. ALSO, on each Waiver, each horse with which the competitor is involved in competition at the Show must be listed together with the **Property Identification Code (PIC)** of the property from which the horse came to the Show.

REFUSAL OF ENTRY/ALTERATION OF SCHEDULE: The committee reserves the right to refuse an entry without assigning any reason for doing so and to alter the schedule to meet emerging circumstances.

JUDGE'S DECISION/DISCRETION: The judge is empowered to withhold any or all prizes in any class where the exhibits are, in his/her opinion, unworthy of the prize, and at all times the judge's decision will be final. A judge has the discretion to ask that a led or performance exhibit and handler / rider / driver be ordered to leave the ring if he/she considers the animal is unruly and/or likely to cause an accident.

DISTRICT/LOCAL CLASSES: Horses and/or riders must have been resident for at least three months prior to the show within a 50 kilometre radius of the Showground.

NOVICE HACK, GALLOWAY, PONY: A Novice has not won a First Place at any Show.

SHOW HUNTERS: Horses in these classes may not also compete in Ridden Hack, Galloway or Pony classes.

RIDDEN HACK, GALLOWAY, PONY: Horses in these classes may not also compete in Show Hunter classes.

STALLIONS: Stallions must be wearing a bit at all times when being led and must be under the control of a person 17 years of age or older. They are not eligible to compete in ridden classes unless their eligibility is specifically stated in the schedule.

PONIES WITH ADULT RIDERS: Ponies may be ridden by adults unless otherwise stated in the schedule.

LATENESS TO THE RING: Competitors must be ready when called. Once judging has commenced, a competing horse shall not be led, ridden or driven into or out of the judging ring without the permission of the judge and/or the Ringmaster or Chief Steward.

LEAVING THE RING: If a led horse should drag or escape its handler or a ridden or driven horse take control of or unseat its rider and leave the ring, it is usually disqualified from the class

HORSE MEASURING: No official measuring will take place at the show, but, if a question about height arises, proof of height may be required. In the absence of proof, a decision will be at the absolute discretion of the Ring Master or Chief Steward.

BREED REGISTRATION: Registration documents for horses in breed classes must be produced when required by a Steward.

ATTIRE: Competitors must be appropriately attired for the competition in which they are competing.

HELMETS: Every rider is encouraged to wear a safety helmet compliant with the current Australian Standard. Riders under 18 years must wear such a helmet.

FOOTWEAR: All competitors must wear appropriate footwear when leading or riding a horse. When riding, the footwear must enable removal of the foot from the stirrup.

CRUELTY: Persons who are considered by the Ringmaster or Chief Steward to be abusive or cruel to a horse will be expelled from the ground. No horse will be permitted to compete if, in the opinion of the Ringmaster or Chief Steward, it is in poor health or condition.

APPROACHING JUDGES: No exhibitor or associate will initiate conversation with a judge on judging day, before, during or after judging except through the Ringmaster or Chief Steward.

PROHIBITED RELATIONSHIP: No competitor will present for judging before a judge with whom he/she has a family relationship, has or has recently had a personal relationship or has had horse related business dealings during the past twelve months.

COACHING: Any person detected coaching a competitor while that competitor is being judged may be removed from the Showground.

PROPER CONDUCT: Any exhibitor or associate who behaves offensively on the Showground will be expelled from the ground, may be banned from the show in future and may be banned by other Societies.

PROTESTS: A protest or complaint against any exhibit or exhibitor may be lodged verbally with the Ringmaster or Chief Steward no later than ten minutes after the judging of the exhibit or exhibitor. The Ringmaster or Chief Steward must be provided with the exact nature of the complaint and act, if necessary, to maintain competitive fairness. The Ringmaster or Chief Steward may choose to refer the matter to the Protests Committee, which shall comprise the President of the Society, or a Vice President and two other members of the General Committee. A protest or complaint or an appeal against the decision of the Ringmaster or Chief Steward may be lodged in writing with the Secretary no later than 10 pm on the day of judging. Such protest, complaint or appeal shall be accompanied by a deposit of \$50 which shall be forfeited if the protest, complaint or appeal proves to be frivolous or vexatious. A matter lodged this way

shall be dealt with by the Protests Committee within 24 hours of lodgement and the decision of the Protest Committee shall be final. NB: No protest or complaint will be considered if it refers simply to a judge's decision.

UMHA TEAM YARDING RULES

1. Competitors must wear a safety helmet, boots, collared shirt and long trousers in competition at all times.
2. A team consists of three riders. No two teams can have the same three riders. At least one rider must be different in each team.
3. Riders are only permitted to enter in two teams on the day.
4. No horses or riders in the team may be changed after the first run.
5. Teams must be ready to enter the arena when called by the announcer. Teams will be disqualified if called three times.
6. The starting line will be either in the centre of the arena or can be on the yard side of centre & will be marked on both sides of the arena with a witch's hat. All cattle must be behind the starting line before time begins.
7. Announcer to advise the colour marking, or the cattle identification number, as the first competitor crosses the starting line.
8. Once the run has started all team members may ride anywhere in the arena.
9. Within a two minute time limit, a team will attempt to cut out from the mob and yard three (3) head of cattle with the same assigned colour marking or identity number. A 30 second warning bell should be given prior to the end of the run.
10. Time for a run commences when the first of the three horses crosses the starting line.
11. The yard will be located either in the centre or to one side of the arena.
12. The yard to be approximately 16ft (4.8 metres) wide and at least 16ft (4.8 metres) deep with one 8ft (2.4 metres) wing.
13. The yard and the end of the wing to be a minimum of 12ft (3.6 metres) from the fence line.
14. A team can call for time only once.
15. To call for time one rider must stand in the gateway of the yard and raise his/her hand after some, or all, of the assigned cattle are yarded.
16. A team may call for time with only one or two of the assigned cattle yarded, however, teams yarding three head of cattle will place higher than those yarding two and two will place higher than one, regardless of time.
17. Time cannot be given until the assigned cattle are in the yard and all other cattle are behind the starting line.
18. No time will be given if incorrect cattle are in the yard when time is called.
19. If a wrongly marked beast enters the yard it may be removed but team members must not enter the yard to do so.
20. Any more than 5 head of cattle across the starting line at any time incurs a no time (disqualification).
21. A team exhibiting any unnecessary rough handling or riding into the mob at excessive speed, will be disqualified.
22. Unsportsmanlike behaviour will result in disqualification.
23. Turning tail to the beast will result in disqualification. A tail turn is a turn executed by a horse & rider where the turn results in the rump of the horse pointing to the beast being worked. Where a tail turn is performed the judge may allow the run to be completed, but the time will not be counted.

- 24.No whips can be carried into the arena. No hitting of cattle with any object will be allowed.
- 25.After completing the run the team is to move the cattle quietly back to the mob so the cattle can be gathered and settled prior to the next run.
- 26.The organising committee or judge will determine the number of runs allowed per competitor and number of times a horse may compete in any one event.
- 27.Three team prizes (1st, 2nd, and 3rd) will be awarded for the most cattle yarded in the fastest three aggregate times. Another prize is awarded for the team with the individual run where most cattle were yarded in the fastest time.
- 28.It is recommended that there be 30 head of cattle in the arena for most competitions. Local conditions and arena size may dictate a variation to this number.
- 29.At the discretion of the judge a team may be awarded a re-run if one or more head of their cattle is deemed unsuitable or escapes from the arena.
- 30.Cattle will be changed after every 10 runs.
- 31.The judge's decision is final.
