TRADE SPACE

All applications must be received by the Trade Space Steward by 8 November 2019, Postal address: Dorrigo Show Society Trade Space Steward, 3 Cypress Street, Dorrigo 2453; Email: dorrigo-show-tradespace@gmail.com; Phone: 0408 033 141.

Applicants will be notified within 7 days of receipt of application whether they have been successful or not. Successful applicants will be sent an invoice, which must be paid by **8 November: Bank BSB: 082 561; Account number: 509641249; Account name: Dorrigo & Guy Fawkes Agricultural Association Inc.** Receipts and membership cards will also be sent out.

Applicants will be able to obtain their receipt and Membership Card(s) at the showground office, during office hours, during the week leading up to Show commencement if not received via post.

Refund Policy - Applicants wishing to withdraw after 8 November will not be refunded. Similarly, accepted applicants who then fail to attend will forfeit a refund.

Trade space at the Dorrigo Show consists mostly of outdoor grassed area on either side of the main thoroughfare through the showground.

Almost all of this space is **unsheltered**. The very limited sheltered space that *does* exist is for use by invitation only. Unless advised otherwise, applicants should assume that they will need to provide their own shelter.

Trade space is sold to traders on the basis of square-metres of space. When calculating the amount of space you need, you will need to include all space that you require--**including your vehicle**, if you need it beside your marquee. Free non-trade space is offered to not-for-profit community groups only (however, traders are given higher priority when allocating space).

On arrival, traders should report to the Show Office for their site allocation and number. Trade Space staff will be on hand to assist. Please have your tax receipt for validation.

Traders and non-traders must ensure that trade exhibits are of an appropriate **standard** and do not constitute any danger, annoyance or offence to the attending public or to the Show Committee.

Traders and non-traders are not permitted to take up alternative sites from that allocated to them, unless specifically permitted by the Trade Space Steward, Secretary or President; nor are traders permitted to sub-let any site to other persons, organisations or traders.

Traders must be set-up and staffing their exhibit from 9am to 7pm on the Saturday and from 9am to 3pm on the Sunday. Direct vehicular access will not be permitted during these times. It would be appreciated if food stall vendors could remain open until 8pm or until after the fireworks on the night of 23 November

For the 2019 Show, **one** membership card will be complementary--any further cards will be charged at \$10.00. **The cards are to be worn AT ALL TIMES during the Show.** Please complete a Membership Application Form and return it with your Trade Space Application Form.

Traders and non-traders may camp by their vehicle if required, however, a camping permit (cost \$25) **must** be displayed so as to be easily visible through the windscreen.

All traders and non-traders must have **appropriate** and **current** comprehensive insurance (\$20M) and **proof of this insurance must be submitted with this application.**

All traders and non-traders must have all electrical equipment (extension leads, appliances, etc) professionally tested and tagged by a licensed electrical contractor so as to comply with the Workplace Health and Safety Act of 1989.

If a vehicle is needed behind your stand (limited number available only) cars will cost \$25 extra, trucks \$35. One vehicle allowed and only available with double spaces.

ELECTRICAL EQUIPMENT & POWER LEADS

Any exhibitors intending to bring electrical equipment to the Showground are required to ensure that such equipment is fitted with earthleakage circuit breakers, and that all electrical leads, tools and appliances have been inspected and tagged by a qualified electrical tagger.

Any exhibitors who do not comply will not be allowed to exhibit at the showground.

Please check all your electrical equipment and leads before you come to the showground.

Electric fencing is allowed on the showground under strict conditions: contact Chief Horse Steward for further details.

APPEALS COMMITTEE

The Appeals Committee will consist of the President, the Chief Steward from whichever Section the appeal originates, and one adjudicator, being one of the following: Mrs Jenny Maxwell, Mr Allan Jarrett or Mr Cyril Kellett.

- An appeal must be lodged by the plaintiff with the Chief Steward of the Section concerned within thirty minutes of the announcement of completion of the Class judging.
- The appeal must be in writing and accompanied by \$50, which will be refunded if the appeal is upheld. If the appeal is lost, the Society will retain the fee.

DRUG TESTING

Revised Drug Testing Rules 2014

ATTENTION ALL HORSE COMPETITORS

THIS SHOW IS A MEMBER OF THE CENTRAL NORTHERN GROUP OF SHOW SOCIETIES AND THIS GROUP UNDERTAKES A HORSE DRUGTESTING PROGRAM THAT HAS BEEN IMPLEMENTED SINCE THE COMMENCEMENT OF GROUP SHOWS IN 1991.

IT IS **YOUR** RESPONSIBILITY TO KNOW THE RULES AND REGULATIONS REGARDING THIS DRUG-TESTING PROGRAM AND THIS SHOW OR THIS GROUP WILL NOT IN ANY WAY ACCEPT RESPONSIBILITY FOR YOUR LACK OF KNOWLEDGE AND/OR UNDERSTANDING OF THIS SUBJECT.

IT IS A CONDITION OF ENTRY AT THIS SHOW THAT ALL HORSES COMPETING AT THIS SHOW, COMPETE ON THE UNDERSTANDING THAT DRUG TESTING MAY BE CARRIED OUT AT THIS SHOW AND IF DRUGS ARE DETECTED THEN PENALTIES WILL APPLY.

PROHIBITED DRUGS

It is the intention of these regulations that all animals shall perform on their merits without the aid of drugs which will affect the conduct, performance or appearance of the animal.

An exhibitor shall **NOT** administer and shall ensure that there shall **NOT** be administered to his/her exhibit any drug or substance herein called a "prohibited drug".

Prohibited drugs are substances originating externally whether or not they are endogenous to the animal and means any substance capable of affecting the performance or behavior of an animal by its action upon the central or peripheral nervous system, the cardiovascular system, the respiratory system, the alimentary digestive system, the muscular-skeletal system or the urogenital system and shall include analgesics, anti-histamines, anti-inflammatory agents, blood coagulants, diuretics, hormones, and their synthetic counterparts, cortico-steroids, anabolic steroids, local anesthetics, muscle relaxants, tranquilizers, and vitamins.

The use of antibiotic substances (anti-viral, anti-microbial, anti-parasitic) with the exception of Procaine Penicillin may be permitted.

In the Case of Showjumping and Dressage entries ONLY, which are conducted under FEI Rules, the use of Phenylbutazone and Oxyphenylbutazone is permitted provided the maximum level of either or both does not exceed 2 micrograms per millilitre of plasma, in aggregate, at the time at which the exhibit is to be judged.

The Society (or Group) may at its discretion cause an examination to be made of an exhibit by a Veterinary Officer who in the course of such examination may make by such methods as he may determine such tests of and take such samples from such exhibit, as he deems necessary or advisable. The result of the examination shall be reported to the Group and the Society.

An exhibit to which, in the opinion of a Veterinary Officer, a prohibited Drug has been administered shall not be exhibited without the consent of the Group and shall be removed from the showground forthwith upon notice from the Group or Society.

The Group may at its sole discretion impose the penalties applicable in the light of all information made available and may disallow or cancel the entry and any award made to the exhibit, without in such case being called upon to give reason therefore.

The owner or any other person who was in charge of the animal to which a prohibited drug has been administered will be disqualified and penalties shall apply.

Where samples have been taken from an exhibit by a Veterinary Officer and submitted for laboratory testing, the following rules will apply:

(a) If the A sample has returned a positive result indicating the presence in the exhibit of a banned substance, then the competitor will be immediately suspended from competition.

(b) The competitor will be entitled at the expense of the competitor to have a B sample tested at the laboratory provided that the competitor gives notice in writing within 10 days of being notified of the result of the testing of the A sample and provides with his notice payment for the cost of the testing of the B sample.

(c) If the B sample produces a positive result then the disqualification provisions of these rules shall apply.

(d) If no B sample is tested in accordance with these rules, then the disqualification provision of these rules will apply.

THE PENALTIES TO APPLY SHALL BE 12 months' disqualification from exhibiting within this Group for the animal and the person in charge of the animal. It will be recommended to the ASC that these penalties shall apply on a state-wide level and that disqualification should be state-wide.

If the animal is not presented for examination within the time specified by the Group, then the same penalties shall apply as if a Prohibited Drug was detected.

TREATMENT FORMS WILL **NOT** BE ACCEPTED.

Any person who at any time administers or causes to be administered for the purpose of affecting the performance of an animal in any event or class at the Show, any drug as defined previously or has in his/her possession any improper contrivance may be disqualified or otherwise penalised by the Group.

Particular attention will be paid to the detection of sedative and tranquiliser groups of drugs but analysis for all classes of prohibited substances will be included. The collection of samples inter alia will always involve taking urine and/or blood.

An examination may include an examination for desensitised limbs. Any animal found to have a limb or part of a limb desensitised by any means will be considered to have competed under the influence of a prohibited substance and penalised accordingly. The owner or his/her representative may be present during testing, but shall not interfere in any way with the conduct of the test, and will observe the instructions of the Veterinary Officer on duty.

The Society or Group and any servant or appointee of the Society or Group shall not be liable to the exhibitor, owner or other interested parties, for the death of, or for any injury, damage or infection which may be sustained by an exhibit occasioned by or arising out of any act or omission of any servant, agent or appointee of the Society or Group done or committed in the course of his/her examination whether due to the negligence of any such servant, agent or appointee or otherwise.

Exhibitors must abide by the directions of the Society or Group as to the procedures to be followed for the examination of their exhibit and failure to adhere to this direction shall incur the same penalties as if the prohibited drugs were detected.

It is recommended that all horses are vaccinated for Hendra Virus.

ACKNOWLEDGEMENT, RELEASE & INDEMNITY

Each exhibitor, in consideration of the Society accepting one or more of the Exhibitor's entries:

a) acknowledges and agrees that the Exhibitor participates in any competition or event conducted during the Show wholly and solely at the Exhibitor's own risk of injury to his person or property; b) releases the Society and its servants and agents at the time of participation, from and against any and all liability for personal injury or damage to the exhibitor's property which the exhibitor may receive, sustain or incur directly or indirectly as a result of the negligence or alleged negligence of the Society and its servants or agents aforesaid resulting from or arising out of any accident or happening whilst the exhibitor is on the Society's Showground or elsewhere under the direct or indirect control of the Society, its servants or agents whether or not such accident or happening occurred whilst the exhibitor was participating in or competing in any event or competition and the exhibitor for himself, his executors, administrators and any person claiming through or under him indemnifies and holds the Society, its servants and agents aforesaid indemnified from and against all claims, demands, suits, actions, damages, costs and expenses which the exhibitor or any person engaged by the exhibitor might be entitled to make or bring against or which may become payable by the Society by reason of or arising from or out of directly or indirectly, any such accident or happening or by reason of any act or omission on the part of the exhibitor or of any person engaged by him whilst he is competing or attending to any exhibit entered by the exhibitor and the exhibitor further agrees that any act or omission on his part or on the part of any such person engaged by him found in any action against the Society to be negligent shall be deemed to be negligence for the purpose of any claim under the aforesaid indemnity.

Guidelines for Shows Regarding Johne's Disease

- As of 3 November 2016, the Australian Johne's Disease Market Assurance Program for Cattle (Cattle MAP) has transitioned to Johne's Beef Assurance Score (J-BAS). The scoring system is from 0 to 8 (0 being 'Unmanaged risk', 8 being 'High assurance'). There is also a Dairy Score with a similar range of scores that have been designed to line up directly (ie Dairy Score of 6 is equivalent to a JD risk of J-BAS 6). Although the J-BAS system is voluntary, the Dorrigo Show requires cattle being exhibited to have a minimum J-BAS of 6.
- If an exhibitor has a J-BAS score of 7 or 8, they will NOT lose their score when exhibiting at a showground that is scored at a as long as they use their own feed and water buckets and unused bedding/straw and animals are separately stalled.
- A current Cattle Health Status Declaration, completed by exhibitor/exhibitor's agent, must accompany entry forms. Exhibitors' J-BAS is entered in Section 6 of this Declaration.

Show Day

- Assessed and non-assessed cattle to be housed in separate buildings. If separate buildings not available a 2 to 3 metre space and a wall or such is positioned between assessed and non-assessed cattle in the one building. Rules and Regulations:

1. **Artists are advised (optional) to present 2D works mounted on a very thin sheet of cardboard or thick paper, providing a 2cm frame around each piece. This will assist Stewards in minimizing damage from pinholes and stickers used in the display process.**
2. All exhibits to be the work of the exhibitor and not to have won a prize at a previous Dorrigo Show.
3. Exhibitors must ensure that all articles in the Picture and Project sections can be easily hung. Heavy exhibits must have hooks or wire attached.
4. Any Class may be divided into two or more sections at the Stewards' discretion, if warranted by number of entries.
5. **Each exhibit must be clearly marked with Name, School, Age, and the Class to be entered on the back, not the front.**
6. **All exhibits to be with the Stewards by 5pm on Monday 18 November (Monday before the Show).**
7. Late entries will not be judged and may not be displayed due to space limitations. Receiving late entries without notice results in a lot of double handling and wasted time of volunteers. The courtesy of notification of late entries would be appreciated. **Entries after 18 November will not be accepted.**
8. Art will be judged as soon as entries close and before works are hung. Works may not necessarily be hung beside other works in the same category.
9. All care, but no responsibility, will be taken for entries.
10. All exhibits are to remain on display until close of Pavilion at 3pm. No exhibit may be removed without the Stewards' authority.

Display Challenge

This year the Dorrigo Show Society is inviting schools, youth organisations and sporting clubs to promote their organisation in the Display Challenge with the theme 'OUR YOUTH OUR FUTURE'. If you have any questions please contact the Chief Steward.

CALLING ALL YOUNG PEOPLE FROM 6 TO 18 YEARS

The Show Society needs your help to paint signs that will be hung around the Showground to show people where to find the Beef Cattle, Woodchop, Poultry and Animal Nursery. Painting workshops will be held in the Birdcage Pavilion (in front of the Main Pavilion) between 11am and 5pm on Saturday and 10am and 2pm on Sunday of the Show. A local artist, Rudy Kistler, will show you how it's done, so call in for some painting fun. Everything is supplied, but maybe bring an old T-shirt to wear! And everyone gets to see your work around the grounds—how cool will that be?

State Competition

Competition to be conducted at Society, Group and State Level

Class: Three different types of Wool Articles and/or Garments Distinct

Conditions

1. For the purpose of this competition the following definitions apply:
 - a. **Garment:** an item that can be worn, e.g. dress, jacket, scarf, hat
 - b. **Article:** a utility item that is not worn but can be used in the home, e.g. toy, as a decoration, e.g. picture etc.
2. The **whole** article and/or garment must be constructed of, and contain a minimum of, **80% wool**.
3. Exhibits (articles/garments) may be knitted, crocheted, sewn, felted, etc and must be hand crafted (use of sewing machine is permitted).
4. **A sample of the yarn, fabric or fibre with label must be attached to each item making up the exhibit.** If a label is not available (as in handspun/felted item), a handwritten label with relevant details and sample will suffice.
5. An exhibit in this competition may consist of the work of one individual or a group of individuals, or an organisation.
6. All three articles/garments must have been made within 12 months of the local Show and made by the exhibitor/s. *Need not be made by same exhibitor.*
7. An exhibit having won at a local Show may exhibit the same three articles/garments at the Group Final. The winning exhibit at the Group Final is then eligible to compete in the State Final.
8. An exhibitor is only eligible to represent one Society at Group level and one Group at State level.
9. An exhibit (article/garment) that has previously competed at Group level is not eligible to compete again.
10. If this Class is not scheduled or attracts no entries at a local Show, the Chief Pavilion Steward in consultation with the appropriate Pavilion Section Judges, may select three suitable individual exhibits and, with the exhibitors' permission, enter them in the Group judging as an exhibit representing the particular Society concerned.
11. It is the responsibility of the Group Secretary and winner to coordinate the transfer of the winning entry to the ASC Office in Sydney for the State judging.

Articles entered for this competition may be also entered in the Needlework Section or the Handicraft Section. Please enter in the above Class, as well as your intended Section and Class. The articles need not be the winners of these Sections, but must be judged when grouped to be the most suitable for presentation and entry to the above competition.

The winning articles from each Show in this Section will be judged in 2020 by a Show to be advised. The winning articles there will then be transported to Sydney for judging at the Royal Show.

Entries close 4pm Monday 28 October

The Dorrigo Visual Arts Group is a thriving subcommittee of the Arts Council of The Dorrigo, Inc., and it promotes art on the Dorrigo Plateau. At the invitation of the Dorrigo Show Society, the Arts Group has for many years promoted and organised the Fine Arts Section at the annual Show. The exhibition covers almost half the wall space in the Show Pavilion, providing a stunning backdrop to the other interesting and beautiful Section displays.

A preview of the exhibition, presentation of awards, and judge's critique, will be held on Wednesday 20 November at 7.30pm. Over the years the preview has proved a popular social event plus an opportunity to purchase first-class visual art. Entry to the preview is by donation and each year Group members donate work to be raffled. Invitations to attend are extended to all who enjoy the great diversity of art. Many works will be for sale.

See entry form for delivery and collection dates and exhibition conditions.

Entry forms for this year's exhibition can be downloaded from www.artscouncilofthedorrigo.com, or forms can be collected from Dorrigo Library, Food Angel Café, Nexus Gallery, and Belling Gallery and Framing.

Section 18: Showgirl Competition

Chief Steward: Tahnee Beelitz (0427 780 997)

The Dorrigo and Guy Fawkes Agricultural Show Society invites young women between the ages of 18 and 25 years (before 1 May 2020) to enter the Dorrigo Showgirl Competition. Only five Entrant positions are available and entries close on 14 October, with the judging date to follow soon after. **Please contact Tahnee Beelitz—tahnee.a.beelitz@hotmail.com, 0429 780 997.** Young men and women also may enter Rural Achievers—see www.agshowsnsw.org.au or www.dorrigo-show.com for details.

The Showgirl Competition seeks a young woman to represent Dorrigo. It is not a beauty pageant. Each Entrant will be assessed on her general knowledge, confidence, personality, ambition, life goals and deportment. All you need is to have a genuine interest in, and knowledge of, your local area and rural affairs.

The successful Entrant will have the opportunity to attend judging at Zone level. If successful at Zone level, she will represent Dorrigo in the State Competition at the Sydney Royal Show in 2020. Dorrigo women, Yvonne Berry in 1989 and Kate Woodward in 2001, both won at Sydney. As part of the prize package, the Dorrigo Showgirl will receive a weekend-long Personal Development Coaching Course, including travel and accommodation. This will be prior to the Zone judging and is invaluable in developing confidence in public speaking, deportment, social etiquette and personal presentation, among other skills.

All Entrants will receive a personal portfolio, a sash, and a gift kindly donated by Dorrigo businesses, in appreciation of the Entrant's participation and desire to help continue a tradition that is over 50 years old.

Dorrigo hosts the 2020 Zone 4 Land Royal Showgirl Competition

The Dorrigo Show Society is proud to be hosting the Zone 4 Showgirl Competition on Saturday, 8 February 2020. It has been 19 years since the Dorrigo Show Society last hosted this event, so we are looking forward to producing a great night for you.

Zone 4 consists of Central Northern and Northwest Shows. Central Northern covers Armidale, Ashford, Barraba, Bundarra, Dorrigo, Glen Innes, Guyra, Inverell, Manilla, Quirindi, Tenterfield, Uralla and Walcha. Northwest covers Bingara, Brewarrina, Gunnedar, Moree, Mungindi, Narrabri, Tamworth, Walgett, Warialda and Wee Waa.

The Showgirl judging and luncheon will be held at the Lookout Mountain Retreat and the evening's proceedings will be held in the Main Pavilion at the Dorrigo Showground. Our own Catering Committee and friends will provide a delicious 3-course meal; there will be inspirational speakers and great music; but the highlight of the evening will undoubtedly be the capable, poised, articulate and impressive young women who will be representing their Show Societies.

Nineteen years ago Dorrigo turned out in force to support this event. We do hope that you will be there this time, to support the event, your own Showgirl and your Show Society.

NATIONAL CATTLE HEALTH DECLARATION EXPLANATORY NOTES

OVERVIEW

The Cattle Health Declaration is a legal document. Please complete accurately before signing.

Cattle Health Declarations are a way for producers to provide information about the health status of the cattle they are selling. Buyers should ask vendors for a Declaration and use the information provided to determine the health risks associated with the animals offered for sale.

Some states require testing or certification additional to that outlined in this document.

e.g. Johne's disease (JD) in WA. Please check the entry requirements for any interstate movements at:

www.animalhealthaustralia.com.au/what-we-do/endemic-disease/livestock-movements/

The original is to be attached to the National Vendor Declaration (NVD) form accompanying the cattle, if applicable. A duplicate remains with the vendor; it is recommended the vendor retains a copy of this declaration for seven (7) years.

QUESTION 3: PESTIVIRUS TESTING

Persistently infected animals can be detected by conducting a pestivirus antigen test. This test only needs to be conducted once in an animal's life. Cattle that test positive in most cases are persistently infected animals. Pestivirus antibody testing may be done to check the pestivirus status of the herd. Contact your veterinarian for assistance in understanding the test results.

QUESTIONS 4 & 5 – ENZOOTIC BOVINE LEUCOSIS (EBL)

All cattle entering Tasmania must meet at least **ONE** of the following criteria:

- Cattle have been tested for EBL with the ELISA test within 42 days before shipment with negative results and evidence supplied via an attached laboratory report. If samples were pooled, no more than 10 sera or 30 milk samples were combined in each pool. Unweaned calves less than 12-weeks-of-age transported with their dam do not require testing for EBL; *OR*
- Dairy cattle from a registered dairy herd must be accredited as Monitored Negative (MN) or better, according to the national guidelines for EBL Control; *OR*
- Beef or beef-cross breeds must come from herds in Victoria, South Australia, Western Australia (*excluding the cattle tick infested area*), New South Wales (*excluding the former North Coast Livestock Health and Pest Authority District*), or Queensland (*excluding the cattle tick infested area*). The herd of origin must have been in existence for at least three (3) years with no evidence of EBL infection in the last three (3) years.

QUESTIONS 6, 7 & 8: JOHNE'S DISEASE BEEF CATTLE

Note: JD is a notifiable disease, so it is important to answer these questions.

Occurrence of JD refers to clinical disease in the herd or on the property. Clinical disease is an infected animal with chronic diarrhoea and weight-loss that does not respond to treatment.

The **Johne's Beef Assurance Score (J-BAS)** is a tool developed for JD risk profiling. Details are available on the Animal Health Australia website under 'JD in cattle'. The J-BAS is an initial guide and purchasers should ask for more information about JD in the origin herd (see JD in Cattle Biosecurity Checklist on the AHA website under 'JD in cattle'). Transitional arrangements are in place until 30 June 2017. The *National Farm Biosecurity Reference Manual - Grazing Livestock Production* provides a template to use for the property biosecurity plan. All plans should include the JD in Cattle Biosecurity Plan Checklist.

Check test – testing of 50 adult animals in the herd (or all eligible animals in a herd if less than 50 adult animals) biased to increase the probability of detecting infection, tested by ELISA, (pooled) faecal culture or (pooled) HT-J faecal PCR.

Sample test - screening of the adult herd or a large representative sample of the adult herd by an approved test (ELISA, (pooled) faecal culture or (pooled) HT-J faecal PCR).

QUESTION 9: JOHNE'S DISEASE DAIRY CATTLE

JD herd status information about Dairy Assurance Score calculation is available at www.dairyaustralia.com.au/bjd

QUESTION 10 & 11: TREATMENTS & VACCINATIONS

Provide details on any cattle treatments and vaccinations within the last six (6) months.

Some manufacturers include more than one of the categories listed in the same vaccine, known as a combination vaccine. If you use a combination vaccine, each agent(s), as appropriate, should be detailed.

For vaccinations to be current, you must have followed the manufacturer's recommendation for vaccination. Typically, young animals or first time vaccinated animals need two (2) doses, followed by annual boosters. As variations to this general rule do occur (e.g. Siliurum is given once only), you must use the manufacturer's recommendations.

At the date the declaration is made, the animals must be considered protected from the diseases listed.

DECLARATION

This section must only be completed by the owner or person responsible for the husbandry of the cattle in the consignment.
