Life Membership

## Genny Henry

The Trunkey Creek Show Society is proud to award *Genny Henry* Life Membership in recognition of her service and contribution to the show movement. Genny has been an active and dedicated member of the Trunkey Creek Show Society since its inception in 1982.

Genny has worn many hats in the Show Society and taken on numerous roles and responsibilities contributing to all aspects of the show.

Genny has been the kids favourite, organising the Fun run and children's events. The lolly scramble is enjoyed by all. Her tireless contributions include submitting items for the pavilion displays and competitions providing home baked products jams, award winning pickles and flowers. Genny and Isobelle Johns were always first on deck to sell raffle tickets engaging the wider community in the spirit of the Trunkey Show. Genny involved her family and grandchildren in the show movement. For years it was a tradition for grandchildren to go to Nan's to bake for show. Much fun and late nights were had on the production line the night before the show. Was always better to make a mess at nan's house...

Genny's contributions to the community do not stop there. Genny is a member of the Trunkey Hall Committee, ANZAC Committee and served for many years as President of the Trunkey Creek School P and C. In the broader community Genny has been an active member and fundraiser of the Blayney Little Athletics.

*"It is in her nature to be willing to help and ask for nothing in return."*

Genny is the second youngest of 15 children. She has 6 children and 17 grandchildren and would do anything for them.

Congratulations Genny on the award of Life Membership of the Trunkey Creek Show Society.

## Tony Johnson

The Trunkey Creek Show Society is proud to award *Tony Johnson* Life Membership in recognition of his service and contribution to the show movement. Tony and his family moved to Trunkey Creek in 1986, after previously running the family farm at Ophir Creek. Tony worked in many areas including contract fencing, spraying and at the local Trunkey Creek School. Tony often worked in excess of what was required of him in order to beautify the school grounds. This is a testament to his passion and desire to give to the community.

Tony has been an active and dedicated member of the Trunkey community since moving to the area. He held the position as President of the Trunkey Creek Show Society for many years. In addition, Tony was also an active member of the Progress Association in the role as president. Tony's diligence in obtaining grants assisted the Progress Association in completing projects in the district. Projects funded as a result of his perseverance include upgrades to restroom facilities at the oval, building of the market stalls, extensions to the pavilion and upgrading facilities at the hall. Tony has been involved with the Collectables Club in Bathurst serving on their committee.

Tony and his wife Margaret have 3 children, living in surrounding districts, 12 grandchildren and 1 great grandchild.

Congratulations Tony on the award of Life Membership of the Trunkey Creek Show Society.

*“He’s an all-round good fella.”*

## **Millie Watson, one of (7) Living Legends of Bathurst 2019, to open the 37th Trunkey Creek Show**

“At the heart of every community there are people committed to achieving great outcomes for their city and Bathurst is certainly no exception”.

Those who receive the honour of being called a Living Legend, contribute to the well being of the city and it's rural communities. Their dedication, determination, personality, work and their contribution receive this honour.” Mayor Graeme Hanger.

On Proclamation Day in Bathurst, Millie Watson was recognised, being named as one of seven 2019 Living Legends for her contribution in Agriculture, Rural, Business, Commercial and Villages.

Millie is a born and bred Bathurst resident and her grandchildren are the 7<sup>th</sup> generation born to Bathurst district pioneer families. One of her passions is local history and the Bush Ranging, Gold Mining Era of Abercrombie, Trunkey Creek and Arkell, is well documented and time stands still when you drive through these unique villages.

Millie has had a lifetime experience in small business, which continues to this day. Watson Tractors is a family business which started from humble beginnings in 1977, catering for the needs of rural communities, making her Business today, one of the longest operating Agricultural Dealerships in the Region.

It is through this experience that Millie formed a special bond sharing the highs and lows that rural communities have to deal with. Endless years of drought spanning 5 decades, with a few prosperous years in between. “When it is a good season, it is good, when you have successive bad seasons, it is devastating” says Millie.

In 2006 Millie was introduced to Trunkey Creek Village and took on the position as Secretary to The Trunkey Creek Show Society. Over 8 years, she bonded and shared a very special friendship with many local families and the residents of the close localities. Therefore she is no stranger to the Trunkey Creek Community. Successful Shows covered the years she held office and her Business, Watson Tractors has always supported the Annual Trunkey Show, with Sponsorship.

When Millie was approached by the current Show Committee to open the 2019 Show, her first response was “I must be someone important!! Only important people Open Shows” and she accepted the invitation, as an Honour.

“On Saturday 12<sup>th</sup> October, take the country highway to Trunkey Creek and experience the warm hospitality of a very Special Community.

See you there.”

Millie Watson.

**THE AGRICULTURAL SOCIETIES COUNCIL OF NSW**  
**RICH FRUIT CAKE COMPETITION**

The following recipe is compulsory for all entrants and must be printed in your schedule.

Here's what you need:

250g (8 oz) sultanas  
250 g (8 oz) chopped raisins  
  
250 g (8 oz) currants  
125 g (4 oz) chopped mixed peel  
90 g (3oz) chopped red glace cherries  
90 g (3 oz) chopped blanched almonds  
1/3 cup sherry or brandy  
250 g (8 oz) plain flour  
60 g (2 oz) self raising flour  
1/4 teaspoon grated nutmeg  
1/2 teaspoon ground ginger  
1/2 teaspoon ground cloves  
250g (8 oz) butter  
250g (8 oz) soft brown sugar  
½ teaspoon lemon essence **OR**  
finely grated lemon rind  
½ teaspoon almond essence  
½ teaspoon vanilla essence  
4 large eggs

Here's what you do:

Mix together all the fruits and nuts and sprinkle with the sherry or brandy. Cover and leave for at least 1 hour, but preferably overnight.

Sift together the flours and spices  
Cream together the butter and sugar with the essences.

Add the eggs one at a time, beating well after, each addition, then alternately add the fruit and flour mixtures. Mix thoroughly. The mixture should be stiff enough to support a wooden spoon.

Place the mixture into a prepared tin no larger than 20cm (8") and bake in a slow oven for approximately 3 ½ - 4 hours. Allow the cake to cool in the tin

Note: To ensure uniformity and depending upon the size it is suggested the raisins be snipped into 2 or 3 pieces, cherries into 4 – 6 pieces and almonds crosswise into 3 – 4 pieces.

Prize money is sponsored by the ASC. Show Societies and Groups should pay the prize money to their winners, then apply to the ASC for reimbursement.

Winners at country shows will each receive a cash prize of \$20 and will be required to bake a second "Rich Fruit Cake" in order to compete in a Group Final to be conducted by each of the fourteen Groups of the Agricultural Societies Council of NSW.

The fourteen winners at Group level will each receive a cash prize of \$30, and are required to bake a third "Rich Fruit Cake" for the Final judging at the Royal Easter Show where the winner will receive a cash prize of \$100.00.

Note: In any year an individual competitor may participate in only one Group Final representing a Show Society and, consequently, may represent only one Group in the subsequent State Final.

Attention Judges - All Fruit cakes are to be cut in half when being judged.
