Some Tips for Competition Cooking

1. Cakes generally should be baked an even colour all round, risen evenly with no crust or peaks on top. Icing, if stated, should only be on top.
2. Remove any lining paper from cakes, line tins carefully without creases.
3. Fruit Cakes - all fruit to be cut the same size, particularly cherries, nuts, (but not too finely), not over flavoured with spirits.
4. Orange cakes should be baked in a loaf tin.
5. Sponges - the two layers should be the same depth (weigh tins), spread very thinly with raspberry jam, no sifted icing sugar on top. Definitely no rack marks (a good rule for all cakes, turn out onto a tea towel).
6. Lamingtons - cut daintily approximately 4cm square, coconut not soaked in.
7. Biscuits - must be crisp, dainty size, delicate golden colour. Generally each variety same size.
8. Jams - presented in jars which are clearly labelled, lids to be covered if commercial, set but not rubbery, fruit soft, jam clear, no mould.
9. Patty Cakes - to be baked with or without papers in tins.
10. Ring tins are never used.

CHILDREN'S MOST SUCCESSFUL EXHIBITOR

\$30 Prize donated by Tooraweenah CWA

Granny Thurston's Jam Drops

Makes 24

$\frac{3}{4}$ cup sugar

$\frac{1}{2}$ cup butter

2 eggs

2 cups of flour

2 tsp baking powder

- Beat butter and sugar to a cream • Add eggs then the flour.
- Make into stiff balls • Press a hole in the middle and fill with jam
- Bake in a quick oven.

★ *Lester Thurston*

Tip - Make a double batch of these.

Lester's grandmother Fanny Thurston (1885 - 1971) was well known for this lovely jam drop recipe. Her wonderful handwritten recipe book was started in 1914 using the out-dated account ledger from the old butcher shop in Tooraweenah.

It's fascinating to see that between the recipes are the monthly accounts and meat orders of Tooraweenah and district residents.
