PRESIDENTS REPORT

Once again I have been given incredible support from our members, especially Pam, to keep our Show going. Show day was a great success and for once even Mother Nature was behind us with the weather.

I would like to thank Ian Selwyn for his show ground maintenance, the Men's Shed for making the chook cages, Rob Bennett and Mitchell Rawlinson for smartening up the pavilion and surroundings and to the many other helpers who did so much to improve our showground.

The Show pavilion came to life with the support of a dedicated group of helpers who held a night to raise money for Cancer. I believe the pavilion impressed a lot of people that night and all credit to the function committee Show day was supported by a great lot of horses; a full shed of sheep; the art section is increasing every year; the chook section gaining momentum as is the wood chop.

We are grateful for the support from the side show families who come to Binnaway each year as they help to attract people through the gate

Special thanks go to our local Fire Brigade members for watering the showground

We are very grateful to the Bowling Club for letting us have the use of the clubhouse for meetings etc.

A special thanks to Charles for care taking the show ground and his surveillance during the year.

Thank you to the farmers who have taken on the steers on behalf of the Show Society which will be a great help to our bank balance.

Looking forward to another good Show next year

Regards Harrie
