AUSTRALIAN NATIONAL FIELD DAYS

Presidents Message

What a difference a year makes. Twelve months ago, we were wondering whether there would be a Show at Cudal, and for that matter, a show anywhere in the Central- West. The rain seemed incessant. This year it's quite the reverse.

Despite the difficult season, the Show will go on. It's in these trying times that the success of the Show is a very important feature in small rural communities. It provides a venue where people can get together and have a chat with those that they don't see from one show until the next.

The hard-working Committee has once again put together a great combination of attractions and entertainment for all. The pavilion display promises to be excellent and we are very pleased with the number and variety of stalls. This year's feature events will be "Flair Riders" a group of motorcycle riders who will thrill the crowd with their riding displays and "Hawksbury Working Kelpie stud show". Come and see working Kelpies in action, gain an insight into their training techniques that get the most out of these highly intelligent dogs.

Our thanks go to the judges and volunteers, without whose help the Show would not be possible. Thanks also to the Cudal-Cargo Lions Club for the assistance that its members provide. And, of course, the Show Committee must thank the Cudal community for your attendance, contribution and support.

We trust that you will enjoy the 2017 Cudal Show.

Chris Solomon
President

Special Thanks go to David Kidd for his work as the Chief Pavilion Steward, his dedication and positive attitude will be greatly missed, our condolences go out to his family for their sad loss.

1 1/2 cups self-raising flour
1/2 cup milk
Ripple Mixture
10g butter, chopped
1/4 cup white sugar
1/3 cup chopped walnuts 1 tbsp. cocoa powder

Method:

1. Preheat the oven to moderate (180 °C). Grease a 20cm (base measurement) spring form tin, and line the base with baking paper.
2. Use electric beaters to cream the butter and sugar until white and fluffy. Add the eggs one at a time, beating well after each addition. Fold in half the flour, then the milk, then remaining flour. Spoon half the mixture into the tin.
3. For the ripple mixture, combine the ingredients, rubbing with your fingertips until crumbly. Sprinkle half the mixture over the cake batter in the tin. Spread remaining batter into the tin, and sprinkle with remaining ripple mixture. Bake for 40minutes, or until cake is springy to a gentle touch.
4. Cool in the tin for 10 minutes, then release the sides and place onto a wire rack to cool.
