

Judge Agreement and Declaration Explanatory Notes

Dear Members,

To assist in confirming Judges for your Show, please see the newly created Judge Agreement and Declaration Form.

This form is deliberately left in a word document format to enable you to add applicable and specific show details to the document before it is sent to the Judge.

On the form on the next page, the Judge Agreement and Declaration Form, the information highlighted in grey is for Judges to complete while the unhighlighted sections are for the Show Society to complete.

Also by leaving this in a word document format, it will enable you to adapt the form according to your individual show requirements. (eg. add any dress requirements, parking details, details about getting in the gate (tickets etc) requirements for receipts/log book details which may be required by your show society to help your judge plan their day).

Please note: If a Judge charges a fee for their judging appointment, they must supply a copy of their Insurance Certificate of Currency as they will **NOT** be covered under the Show Societies Volunteer Insurance. If the Judge is only paid traveling expenses the Judge will be covered under the Show Societies Volunteer Insurance.

The ASC Code of Conduct for Horse Judges is attached and available the website for your convenience. Please forward this document to your prospective and confirmed Horse Judges in conjunction with the Judge Agreement and Declaration Form.
